Work Experience

Internship at Shahi Exports Pvt Ltd

- I worked in this organization as an intern for a period of 1 month.
- Learnt the business process of Textile industry.
- The company's immense dedication to serve their customers motivated me to be more systematic to complete the tasks assigned to me:-
 - Work order:- For efficient utilization of fabric.
 - Master chart:- A final reference copy to production unit.
 - Quality check:- In aspects of matching the fabric quality to that of a set standard sample.
 - Costing:- Maintaining the profit margin while considering the input cost as well as the shipment cost.

Accomplishments

- Assisted team members with customized Excel templates(Concatenate) for transforming excel data into text format to update on portal to receive approval for shipment which reduced their time from hours to minutes.
- Introduced Pivot Table and macros and which increased their efficiency.

Entrepreneurship

I took my hobby to the next level to generate revenue out of it by procurement of unique variety of plant, seeds ornamental fishes and acclimate them to local atmosphere. This helped to build my research skills. Marketing and supply chain management acted as a tool to increase my profits to 2x and more, which priced less than the usual market price.

Accomplishments

- Introduced newer variety of turmeric and ginger from North East India to other hobbyist.
- Sourced the India's hottest chilly from remote place of Arunachal Pradesh.
