

VIDYASHRI DANAPPA KUMBAR

Shabari Nagar, Ranebennur-581115

+91 8792308535

 vidyashrikumbar8@gmail.com

CAREER OBJECTIVE

To secure a position where I can efficiently contribute my skills and creative abilities for the growth of the organization and enrich my professional career.

EDUCATION

Sri Taralabalu Jagadguru Institute of Technology, Ranebennur Electronics and Communication Engineering, B.E	<i>2018-2022</i> CGPA 8.5
KLE's Raja Rajeshwari PU College Karnataka State Board, II PUC	<i>2017-2018</i> 75%
Rotary English Medium School Karnataka State Board, SSLC	<i>2015-2016</i> 90.72%

Technical Proficiency :

- Basic programming Embedded C Programs
- Engineering in Electronics and Communication
- VLSI – Very Large Scale Integration
- Basic Python

Experience Work

- Internship : Embedded Systems and IoT Using Arduino Certified.
- Pump Academy Private Limited : 4 months Work Experience on Embedded Systems Microchip PIC18F57Q43..
- Protocols : SPI , Led Blinking, Timer 555 ,UART using Microchip PIC18F57Q43.
- WS2812 RGB Led Blinking using Microchip PIC18F57Q43

Expertise Qualities

- Good communication skills
- Hardworking and sincere
- Responsible and creative
- Willing to learn

Technical Projects Completed:

1. Vehicle Number Plate Recognition (Using MATLAB and image Processing)
2. VLSI – Main Project “Improvement of accuracy of Fixed-Width Booth Multipliers using Data Scaling Technology”
3. Multiple Switch Interfacing with Arduino UNO
4. IR Sensor with Buzzer interfacing
5. Smart Light System using IoT, wifi, ThingSpeak
6. UART Communication with Arduino
7. Line Follower and Bluetooth Controlled ROBOT (ROBO_CAR)_A ROBOTICS arduino Project.

Personal Details

- Father Name : Danappa .I. Kumbar
- Date of Birth : 27/12/2000
- Gender : Female
- Nationality : India
- Religion : Hindu
- Language : English, Kannada & Hindi
- Hobbies : Painting, Dancing, Singing, Listening songs, playing games

Declaration

I hereby declare that the above information is true best of my knowledge.

Place: Ranebennur 581115
